- Official Gazette of the Republic of Slovenia, No. 47/15 of 30 June 2015 (in force since 1 July 2015)

Pursuant to the third paragraph of Article 13 of the Banking Act (Official Gazette of the Republic of Slovenia, No. 25/15; hereinafter: the ZBan-2) and the first paragraph of Article 31 of the Bank of Slovenia Act (Official Gazette of the Republic of Slovenia, Nos 72/06 [official consolidated version] and 59/11), the Governing Board of the Bank of Slovenia hereby issues the following

REGULATION
on the application of the EBA Guidelines on Advanced Measurement Approach (AMA) - Extensions and Changes

Article 1
(purpose and field of application of guidelines)

(1) Pursuant to the first paragraph of Article 16 of Regulation (EU) No 1093/2010 of the European Parliament and of the Council of 24 November 2010 establishing a European Supervisory Authority (European Banking Authority), amending Decision No 716/2009/EC and repealing Commission Decision 2009/78/EC, on 6 January 2012 the European Banking Authority issued the EBA Guidelines on Advanced Measurement Approach (AMA) - Extensions and Changes (hereinafter: the guidelines), which are published on its website.

(2) The guidelines referred to in the first paragraph of this article regulate the practices and procedures with regard to the treatment of extensions and changes to an advanced measurement approach for operational risk used to calculate the minimum capital requirement for operational risk.

(3) The guidelines shall apply to:

1. institutions as defined in point 3 of the first paragraph of Article 4 of Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012 (OJ L 176 of 27 June 2013, p 1; hereinafter: Regulation (EU) No 575/2013); and

2. competent authorities as defined in point 40 of the first paragraph of Article 4 of Regulation (EU) No 575/2013 when conducting supervision of institutions with regard to requirements deriving from the treatment of extensions and changes to an advanced measurement approach for operational risk used to calculate the minimum capital requirement for operational risk.

Article 2
(content of regulation and scope of application of guidelines)

(1) By virtue of this regulation the Bank of Slovenia sets out the application of the guidelines to:

1. banks and savings banks that in accordance with the ZBan-2 have obtained an authorisation to provide banking services in the Republic of Slovenia (hereinafter: banks); and

2. the Bank of Slovenia, when in accordance with the ZBan-2 in its role as the competent authority it is exercising supervisory powers and tasks over banks referred to in point 1 of this paragraph.

(2) In the treatment of extensions and changes to an advanced measurement approach for operational risk, banks shall take full account of the provisions of the guidelines in the parts addressed to banks.

(3) In exercising supervisory powers and tasks in accordance with the ZBan-2 and Regulation (EU) No 575/2013, the Bank of Slovenia shall take full account of the provisions of the guidelines in the parts relating to the exercise of the supervisory powers and tasks of the competent authority with
